		Ticket charges, program, and other fees	(18.00)	0.00	(18.00)	(18.00)
			1,097.63	206.25	891.38	891.38
		January 2099 payout to be issued on February 15, 2099:	1,097.63	206.25	891.38	891.38

Important information:

Fee percentages are displayed as derived percentages; the effects of rounding may cause the displayed percentage to be higher or lower than the actual rate used, especially if the amounts are small.

WC retained percentages are displayed as basis points on assets for WCAP or advisor managed, they are displayed as percentage of revenue received for third party managed accounts.
